RE: Notice of Intent to Award – 2016 Oregon City Roadway Reconstruction Projects (CI 16-001)

Dear Bidders:

On May 11, 2016, the City of Oregon City opened bids for the above-referenced project. Two bids were received with the apparent low bid being submitted by S-2 Contractors Inc. The bidders and the bid amounts are tabulated below:

<u>Bidder Name</u>	<u>Bid Amount</u>
S-2 Contractors Inc.	\$1,873,862.90
Dirt & Aggregate Interchange, Inc.	\$2,258,854.00
ENGINEER'S ESTIMATE	\$1,913,435.00

The City's consulting engineer, Wallis Engineering, has evaluated the low bid and has determined it to be responsive and responsible. Therefore, the City intends to award the contract to S-2 Contractors Inc. at the City Commission meeting on June 1, 2016.

The City of Oregon City appreciates your interest and effort in preparing and submitting a bid for this project. If you have any questions about the bid process or our decision of award, feel free to call me at mpowlison@orc.org or 503.657.8241.

Sincerely,

Matt Powlison
